Sir,

Subject - Proposal of the Town Municipal Council, Bhadravati, for payment of house rent allowance to the employees of the Municipality

I have the honour to state that owing to great dearth for houses in Bhadravati Old Town, Government in their order No L 7176-7/11 27-40-58 dated 8th April 41 have sanctioned the payment of house rent allowance at the rates noted therein to certain employees of the Municipality to enable them to meet a portion of cost in this direction

2 As the menial staff and the sweepers and scavengers of the Municipality are feeling great hardship in this direction, the Municipal Council considered this aspect of the question at their meetings held on 31-12-46 and 27-5-47, wherein resolutions were passed that the staff indicated in the body of the resolutions might be granted house rent at the rates noted therein, after obtaining the sanction of Government The copies of resolutions are forwarded herewith for favour of reference

3 The entire cost involved on this account is proposed to be met from the closing balance of the Municipality

4 In supporting the aforesaid resolutions of the Council, the Municipal President requests that sanction of Government

2

might be obtained to the proposals for payment of house rent to the several employees of the Municipality as detailed hereunder

Designation of the appointment		House rent amount proposed
1) Octroi Sargeant in grade 20-1-25		5/- p m
2) Bill Collectors	20-1-25	5/- p m
3) Second clerk in grade 25-1-30-1-40		5/- p m
4) Maistries	2	4/- each p m
5) Peons	6	4/-
6) Gardener	1	4/-
7) Sweepers & Scavengers	10	3/- each p m

I may state in this connection that house rent - allowances are being paid to the menial staff attached to the Police, Education & other Allied Departments working in Bhadravati Town

(5) with a view to mitigate the haidship that is being experienced by the employees in securing residential - quarters in an Industrial Town like Bhadravati it appears reasonable to pay a ~~xxxx~~ reasonable allowance to the menial and other employees to meet a portion of their house rent cost

(6) In the circumstances, I request that sanction of Government may kindly be obtained to the payment of house rent to the employees of the Municipality at rates noted in para 4 supra, the house rent being paid to the employees with effect from 27th May 1947, the date of resolution passed by the Municipal Council in this behalf

Sir,

With reference to the correspondence ending with your letter No MB C 184/47-48 dated 27-2-1948 on the above subject, I am directed to state that the expenditure now incurred on account of the payments of house rent allowances to certain employees of the Bhadravati Mly at the marginally noted rates sanctioned in

in G.O. No L 7176/M 27-40-58 dated 8-4-41 works out to Rs 27/- PM or Rs 324/- per annum and that the amounts required as per proposals now made for paying house rent allowances to the remaining staff of the MHS, as noted in the margin comes to Rs 108/- PM or Rs 1296/- per annum in addition to the amount of Rs 3240/- P.a now being incurred. It may also be kindly stated if it is the intention of the the Municipal Council to increase the ~~rate~~ rate of House Rent allowance granted to the police Sergeant and the Bill Collector to Rs 5/- per month each as against Rs 3/- PM & Rs 4/- PM respectively now granted to them

Sir,

Subject - Bhadravathi Municipality - Employees of - Payment of house rent allowances to -

With reference to your letter No L 15454 dated the 3rd April 48 enquiring as to how the amount of house rent allowances recommended to be granted to the employees of the Bhadravathi Municipality has been arrived at and whether the enhanced allowances recommended to be granted to certain menials may not be reduced etc , so as to be in conformity with these sanctioned to the menials of other Departments in Bhadravathi Town, I have the honour to state as follows -

As against the sum of Rs.27/- per month sanctioned in G O No L 7176-71/M1 27-10-58 dated the 8th April 1941 towards the house rent allowances to the marginally noted employees of the Municipality,

1 clerk on grade Rs 25-1-40	5	-
2 Two Sanitary Inspectors 25-1-30	5	-
3. Octroi Sergeant 15-1-20	3	-
4 Bill Collector 20-1-25	4	
5 Special Revenue Inspector	5	
Total	27	-

it is reported that an expenditure of a sum of Rs.22/- only is being incurred at present every month in view of the fact that only one sanitary inspector is working at Bhadravathi, the other Sanitary Inspector entertained for Malarial control having been withdrawn, resulting in a savings of Rs 5/- per month

As regards the sum of Rs 84/- referred to in this office letter under reference, it is seen that this relates to the house rent allowances sanctioned to the Octroi Sergeant and the Bill Collector, at Rs 3/- and 4 per month respectively, which are now proposed to be enhanced to Rs 5/- in view of the inadequacy of the relief sanctioned, the case of the Revenue Inspector, Sanitary Inspector and the first clerk having been omitted as they do not stand in need of any further relief, the allowances already sanctioned to them being considered adequate

It is now proposed that the scope of the house rent allowances, so far sanctioned which is confined to a section of the employees of the -

the Municipality may be extended to the others also who are not in receipt of this relief so as to extend this benefit to all the employees of the Municipality, as their case stands on all fours with those to whom the allowances have already been sanctioned A statement showing in juxtaposition the amount sanctioned so far, the enhancement of existing rates recommended and the amount proposed for sanction in respect of the remaining staff to enable them to derive the same benefit is herewith put up for kind perusal.

Bill Collector	1	4-0-0	5-0-0	4-0-0	5-0-0
Total		22-0-0		22-0-0	137-0-0 per month

Total expenditure involved as per recommendation at Rs 137/- per month Rs 1644- 0-0
Amount already sanctioned at Rs 22/- per month 264- 0-0

Balance in respect of which sanction is sought Rs. 1380-0-0

It will be seen therefrom that sanction will have to be accorded to an additional sum of Rs 1380/- per annum if the proposal of the Municipal Council is accepted

The Municipal ~~Com~~ President, whose opinion was called for in the matter of the reduction of the house rent allowance proposed by him to the menials from Rs 4/- as suggested by him to Rs 2/- per month, so as to bring it in conformity with the allowances allowed to the menials of other Departments as suggested by you states that the matter was

13

was considered at the meeting held by the Municipal Council on the 14th May 1948 and that they have decided that the enhanced allowances may stand, as they are justifiable, in view of the paucity of houses in Bhadravathi and the prevailing high rates of rents which even tiny houses fetch in the Town He is, therefore, of opinion that the rates of allowances recommended are not capable of further reduction.

I would however suggest that the allowances proposed for the menials may be reduced to Rs.2/- as suggested by Government, as any invidious distinction made in this behalf between the menials of the Municipality and those of other Departments is likely to lead to agi-tation on the part of the menials of other Departments If, however, it is proposed to grant the enhanced allowances to the menials of the Bhadravathi Municipality as recommended by the Municipal Council, the question of enhancing the allowances to the menials of other depart-ments may also come

With this modification I recommend that the proposals of the Municipal President may kindly be sanctioned
